MVNC MISSION

Serving those who serve

Our mission is to communicate, convene, and create resources that build the capacity of nonprofit agencies and the effectiveness of those who work and volunteer in them. We believe that stronger nonprofits help build a stronger community. Since 2015, we have provided nearly 6,000 training and networking experiences to over 500 nonprofit organizations in the greater Miami Valley.

Love that you provide this training - our small nonprofit wouldn't have been able to afford it otherwise. Thank you! ~ Marie Canaday, Development Coordinator, Good Works Farm

We are pleased to share some of the highlights of our work in 2023.

- Served a record **986 nonprofit professionals** in 2023 through our Suite of Offerings training workshops, leadership development programs, and special networking events.
- Launched a new program, **Executive Director Peer Circles**, for nonprofit leaders to discuss real-time challenges, share best practices, create solutions, and provide support and encouragement.
- Served **41 nonprofits**, 28 of which received full scholarships through the support of area foundations, in our Core Excellence workshop series that addresses the 6 critical areas of professional management of a nonprofit.
- Served 10 local nonprofits through our new **Grant Capacity Building** program that combined a half day workshop with follow up consulting to ensure well prepared, organized grants programs.
- Achieved **Candid/Guidestar's Platinum** level of transparency for nonprofits while renewing our **Better Business Bureau Charity Seal Accreditation**.
