Miami Valley Nonprofit Collaborative – 2019 Annual Impact Report

www.mvnonprofitcollaborative.org

Our mission is to communicate, convene, and create resources that build the capacity of nonprofit agencies and the effectiveness of those who work and volunteer in them. Our vision is to build stronger nonprofits to build a stronger community.

Dear Friends,

One of the joys of preparing an annual report is that it gives us the opportunity to look back and be thankful for all that we have provided to the Miami Valley nonprofit community. The past fiscal year was filled with wonderful opportunities to provide networking events, training and leadership development services to area nonprofit professionals. Some of the highlights were:

- MVNC attained its 501(c)3 nonprofit status and initiated a strategic planning process in order to expand its reach to the Miami Valley nonprofit community.
- Nearly 250 area nonprofit professionals participated in MVNC programming in 2019.
- Saw 24 participants complete its fifth cohort of Developing Leaders, a 6-month leadership development cohort that has helped over 100 nonprofit supervisors sharpen their leadership skills since it first launched in 2017.
- Celebrated that nearly 2,000 nonprofit professionals have participated in networking events, training and leadership development since MVNC's inception in 2015.

The following is an overview of MVNC's finances for the fiscal year ended December 31, 2019.
