

MVNC “Nonprofit Refresh” Program

The MVNC is excited to announce a second year of special consulting services that are designed to help area nonprofits both achieve their mission AND continue to be healthy, viable organizations. Our *Nonprofit Refresh* packages provide a “deeper dive” of the key areas of nonprofit operations for which we receive the most requests for support.

Each package includes **8 hours of consulting time** with a consultant with nonprofit management expertise to review **1 key area** of your choice:

Grants Program Overview

- Review of current grant writing program & history
- Development of goals, outcomes and metrics to align with strategic plan
 - Development of target list of potential funders

Special Event Planning

- Review of current special event goals and execution plan
- Development of social media & marketing plan for the event
- Delivery of tools & templates to help plan and evaluate a successful event

Strengths-based Team Building

- Review of current team make-up using the CliftonStrengths assessment
 - Interpretation session - overview of individual and strengths-based teambuilding
 - Development of team composition chart, showing areas of strengths and gaps
- *cost of assessments not included in registration fee*

Fiscal Management Review

- Review of plan to manage cash
- Review of plan to contain costs and manage assets
- Includes a review of plan to raise money to sustain the organization

~ **Cost of this opportunity is just \$200.00** ~

The value of each of these packages is \$1,100. Many thanks to the Charles D. Berry Foundation; their support allows the MVNC to heavily discount the registration fee for this opportunity.

Seats are very limited due to funding limitations. First come, first served!
